

MARCH FOR OUR LIVES

3 . 2 4 . 1 8 • M I A M I

Not one more. We cannot allow one more child to be shot at school. We cannot allow one more teacher to make a choice to jump in front of a firing assault rifle to save the lives of students. We cannot allow one more family to wait for a call or text that never comes. Our schools are unsafe. Our children and teachers are dying. We must make it our top priority to save these lives.

March for Our Lives is created by, inspired by, and led by students across the country who will no longer risk their lives waiting for someone else to take action to stop the epidemic of mass school shootings that has become all too familiar. In the tragic wake of the seventeen lives brutally cut short in Florida, politicians are telling us that now is not the time to talk about guns. March for Our Lives believes the time is now.

On March 24, the youth of Miami-Dade County will join one another in Collins Park on Miami Beach to demand that their lives and safety become a priority. **We will speak loudly, we will register to vote and the collective voices of the March for Our Lives movement will be heard in Miami-Dade, in Florida and in our Nation.**

WHY? *Every kid in this country now goes to school wondering if this day might be their last. We live in fear. It doesn't have to be this way. Change is coming. And it starts now, inspired by and led by the kids who are our hope for the future. Their young voices will be heard. Stand with us on March 24. Refuse to allow one more needless death.*
